

BOARD OF COUNTY COMMISSIONERS AGENDA ITEM SUMMARY

Meeting Date: June 15, 2005

Division: County Administrator

Bulk Item: Yes X No

Department: Fire Rescue

Staff Contact Person: Susan Hover

AGENDA ITEM WORDING: Approval to waive purchasing policy and issue a purchase order to, and approval for Mayor to execute a Software Licensing Agreement with Zoll Data Systems, sole source provider of the RescueNet suite software products, in the amount of \$28,900.00 for the purchase of EMS Pro software package for Ocean Reef Department of Public Safety including network and mobile licensing, training, installation and tech support for pre-hospital collection of data to be used for patient care reporting, state reporting and electronic billing.

ITEM BACKGROUND: In October of 2003, Monroe County Fire Rescue purchased and implemented EMS Pro (now RescueNet), a comprehensive EMS data management system. This system has successfully integrated patient billing, medical quality assurance, state reporting, and record keeping. It has also significantly decreased the number of staff hours dedicated to these tasks, while simultaneously improving the quality of data.

Purchase of this system for Ocean Reef Department of Public Safety will enable their department to manage its data in a similar fashion, which should contribute to a similar savings in staff-hours, and improve the quality of data managed.

PREVIOUS RELEVANT BOCC ACTION: On December 17, 2003 a Resolution was approved authorizing the Mayor to execute an EMS Grant Application and related Request for Grant Distribution to the State of Florida Department of Health, Bureau of Emergency Medical Services.
